Tartars Travel To Inglewood; Seek 2nd Win

By BILL SCHIPPER

Torrance's varsity grid squad tries for two in a row tomorrow night when the Tartars invade Sentinel Stadium to tackle Inglewood in a battle for the Bay League's runner-up spot. Kickoff time is 8 p.m.

Coach Dick Turner's maroon and grey charges still have the league coaches and scribes shaking their heads in wonder over last week's 7-0 upset victory over Mira Costa which knocked the Mustangs off their four game victory trail.

Inglewood owns a 1-1 mark in loop play and poses a serious threat to the local's 1-0-1 record.

Massive Line

However, they'll be running into Coach Irwin Kasten's massive Tartar line that has allowed only one TD, that coming on a punt return.

For tomorrow evening's clash, the THIS camp has announced that the Tartars will be at full team strength with the return of back Bobby Grajeda, Bob Farrington, and lineman Danny White and Walt Dingley to the lineup.

Injured Players

Grajeda and White have sat out the last three games with a fractured and broken ankle, respectively. Grajeda is the team's only returning letterman. Dingley and Farrington missed the Micholi fracas with ailments, but now are ready to go.

In other Bay League action, Leuzinger sends their Olympians to Seahawk Bowl to meet

Redondo and Santa Monica hosts Mira Costa in a biggie at Corsair Field.

Grid Contest Winner Told

Chuck Richardson, 18502 Arlington Ave., is this week's winner of the HERALD's football contest.

Richardson topped the list of prognosticators listing their choices on the entry blank provided in Sunday's edition.

He wins two tickets to the UCLA vs. California game this week end at the Coliseum.

In addition he also was awarded a free year's membership at the Cal Gym.

Racers to Gather

America's leading sports car pilots will be seen action Saturday and Sunday when race fans gather for the Palm Springs second National Championship Road Races over the famed desert resort airport course.

LINE TO BACK . . . Dick Keelor (left) and Larry Manly are grid standouts on the 1957 El Camino College football squad. Keelor, 190-pound wrestler-gridman from Redondo, holds down the first string center spot for the Warriors, while Manly, an Inglewood product, is the stellar quarterback who has given the Elcams a good start in Metropolitan Conference action. The Warriors face San Diego in the local stadium Saturday at 8 p.m. in what might prove the "game of the year."

McMaster Park Juniors Lead Local Touch Football Program

The Recreation Department touch football program went into full swing this last week.

The McMaster Park Juniors still lead the Park by a narrow margin. They overcame a strong WALTERIA "8" last Monday 13-0. Bill Westerman, Jim Bald, and Bob Turner cornered in the WALTERIA boys with a series of perfectly executed pass plays. The first TD was a

Westernman to Bald pass play from 10 yards out. In the second quarter, Bald hit Turner for 20 yards and paydirt to clinch the game. Bill Schonart from WALTERIA showed to be a demon on defense with interceptions and perfect coverage on pass play. The same McMaster "3" traveled to Torrance Park Tuesday night only to meet a stubborn bunch of gridgers. It was a nip and tuck affair all of the way with the game ending 12-12.

The McMaster boys drew first blood in the second quarter with Lewis Cook to Jim Bald TD play that traveled 40 yards. Torrance Park came roaring back in the third quarter when Dave Travelstead hit Harold Mathews with a perfect 30 yard pass play and 6 points McMaster came back strong in the fourth quarter. Darold Hayden to Cook play from 12 yards out. Immediately after this was the Torrance twosome—Travelstead to Mathews scored again on a pass play from 2 yards out.

Midgets

The Falcons from Torrance Park swamped the Pelicans 36-6 this last Thursday night. Walt Malonek, Jim O'Neil, Jim O'Hara, Bill Schort and Tim O'Conner all figured in on that night's tally. The Pelicans drew the first score when Duane Wryick went all of the way on the kick-off. The Falcons settled down when Malonek pitched to Schort for their first score shortly thereafter. In the third quarter Malonek ran it over from 15 yards out to increase the score. The Pelicans tried to stave off this determined bunch of Falcons only to see the Malonek to O'Conner combination start clicking. In the fourth quarter the roof fell in when the Falcons scored 20 points with O'Conner scoring 2 TD's and Schort once.

Pee Wee League

In the Pee Wee division at Torrance Park the Bankers

beat the Eagles 29-0. Garry Brown, Willie Baker and Donnie Coil all figured in on this win. The Bankers have shown much aggressiveness in their league games. In the second game of the day Hesters Jesters beat out a 20-6 decision over the Dagos. Patrick Fenev, Marty Halley and Lynn Archibald ganged up on the Dago Boys. Rudy Boltran scored the lone TD in a losing cause.

At McMaster Park the Rams beat the Panthers 20-0. Dennis Bush, John Alexander, and Richard Peters took turns at scoring. Joe Day ran back a beautiful 40 yard TD punt in the second quarter. In the second game the Vikings led by Cary Hubert swamped the Bruins 34-2. Hubert had help from Kenny Gorman, Jeff Bell, Don Jenkins, Mike Jacobs.

Crucial Metro Game in Warrior Stadium Pitts El Camino and San Diego

Gathering their once-conquered forces for action against conference-dominating Knights of San Diego in the Warrior stadium, El Camino College will put its hopes for the Metropolitan flag on the block at 8 p.m. Saturday night.

In bowing to the East Los Angeles Junior College Huskies 44-13 in the Huskie stadium Saturday, the Warriors suffered their second most humiliating defeat in conference history. The first, a 43-6 route, was administered by the ELANS in 1951.

Despite the pile-up of points against the Warriors, they managed to out-first down and out-gain the powerful Huskie aggregation. El Camino stored 17 first downs to the Huskie 6 and 243 yards to the Huskies' 147.

George Fleming, alternating between quarterback and half-back, passed and ran the Huskies to the triumph in which nine fumbles and four pass interceptions marked the end for the Warriors.

Locals Out-Charged

The Huskie line completely out-charged the locals, giving the Camino backs little or no time to get the plays working. The usually accurate passing arm of Larry Manly was not up to par with four of his passes going astray toward alert Huskie defenders, who ran two of the interceptions over for touchdowns and turned the third into a field goal by George Fleming from the 17.

El Camino kicked to the Huskies to start the ELA scoring marathon. After making no sizable gains, the Huskies were forced to punt on fourth down and the Warriors put the ball into play on their own 14.

Pedigo and Manly reached the 37, but here the trend of the game was started as Pedigo fumbled and the Huskies recovered the ball on the El Camino 41. Here, after advances by Fleming and Gaines, the ball was moved to the Warrior 22, where Fleming handed-off to Williams, who, with only three minutes gone in the first quarter, raced the distance for the score. Fleming kicked the first of three conversions.

Intercepted Pass As the first quarter came to an end Fleming kicked to Tom Brown, who was stopped

the Saxons head coach was full of praise for the team over the Culver City vic-

on the Camino 31. Here, it looked like the Warriors might get back into the game. Seifert and Manly were making small but consistent gains, and, after moving the ball to the 43, Manly was rushed hard and thrown for a 13-yard loss. On the following play Cal Moore of the Huskies intercepted a Manly pass, and raced the remaining distance for the touchdown.

The kickoff was taken by Brown of the Warriors, who after considerable bobbling, returned it to the Camino 11. On the first play from scrimmage, quarterback Lynn Hoyem fumbled and the Huskies recovered. The El Camino defense was too much and the

Warriors stopped the Huskies on the 1, but a Hoyem fumble on the four was just too easy for the Huskies to miss. With seven minutes remaining in the second quarter, Fleming took the ball over for the third touchdown of the game.

The only long scoring drive of the night by the Huskies came in the second quarter and was topped off by a one-yard plunge by halfback William Norman. The try point was good.

Late in the second quarter, it looked like a Camino drive until a pass interception by center Jack Foate and a 60-yard return put a stop to the drive and also to the first half.

Saxons Journey to El Segundo Gridiron Friday

By JERRY REYNOLDS

Coach Bob Shoup and his Saxon varsity eleven will invade the El Segundo gridiron Friday evening, looking for their second Pioneer League win of the season.

The Eagles are boasting 24 returning lettermen, giving them one of the strongest El Segundo teams in several seasons. They did, however, drop a 13-0 decision to the Morningside gridmen last week.

Quarterback Mike Giannini and End Dave Morache will be the Eagles' main aerial strength and a couple of speedy halfbacks fill in the ground strength. Coach Clyde Dougherty employs the "T" formation for an effective offensive attack.

The Saxons' head coach was full of praise for the team over the Culver City vic-

tory. Ernie Thomsen upped his average gain to 5.2 yards per carry. The Locals have built up an outstanding defense with Dick Bybee, Steve Harper and Gil Garnica turning in excellent performances Friday.

The North High squad is out to better a win-loss record of 2-3 for the season. They will continue to use the split "T" and will spend this week working on pass defense.

Varsity, Jayvee Cross-country Teams Remain in Victory Spot

VARSITY HARRIERS . . . These Torrance High School cross-country runners are bringing home the medals this time as they continue to cop meets. Front row, from left: Joe Gilstrap, Len Ehlers, Dennis Hansen, Sanfred Smith. Back row: Tom Carter, Terry Murphy and Dick Ryon.

Coach Jim Wilson's varsity and jayvee cross-country teams remained in the undefeated ranks Saturday when they copied their feature heats at the annual Mt. San Antonio Invitational, with low scores of 40 and 26 points, respectively.

Over 1500 harriers from 85 southland high schools competed in the day-long races. 21 in all. Mira Costa, defending CIF champions, turned in the days lowest point total in their win, 26.

Micohi and THIS are staging a neck and neck race towards the loop crown, and the one that comes out on top of the Nov. 22 Bay League finals probably will go on to capture the CIF title. Both are undefeated in six meets.

Saturday, Dennis Hansen paced the Tartar win with a 5th and a 9:45 clocking over the 1.8 mile course. He was followed by Len Ehlers, 7th Sanfred Smith, 8th, Tom Carter 9th, and Joe Gilstrap 11th Terry Murphy and Dick Ryon ran 12th and 13th.

In jayvee competition, Coach Wilson's crew swept the first five place spots to record a perfect low of 15. Robert Rodriguez set the pace with a 10:32 time and was closely followed by Frank Corsentino Jack Tippin, Kent Bartholme and Kenny Smith. The JV's are also strong contenders for the league championship.

The local distance men Leuzinger yesterday on the Olympians course.
